EasyChair Instructions for Authors

The submission and review of the abstract for SLVA 2021 will be managed through an online conference paper management system called EasyChair. This system gives you, the author, and complete control over your submission.

This guide is intended to support authors during the submission process. It has three parts:

1. Setting up an account
2. Draft abstract submission
3. Revised abstract submission

1. SET UP AN ACCOUNT AS AN AUTHOR

1.1 Set up an account with username and password as an author.

1.2 Go to: https://easychair.org/account/signup?id=PCmST4VmTmLSDEQiPrj2gJ

1.3 You will be directed to the page shown in Figure 1. Click the check box and click continue.

2.7 After completing a submission, a new menu bar (“Submission #” or "My Submissions" in the case of multiple submissions) is created (Figure 10). Click on “Submission #” for changing any information about the submission.
2.8 Use the links at the top-right corner for:

- Updating information about your submission: select “Update information” from the right-hand menu of the Submission screen to change any of title, abstract and keywords of your submission.

  Updating author information for your submission: select “Update authors” to modify any information about the author(s) and click “save.” In the case of multiple authors, you can add (“Add new author”) or remove authors (Click on “X”); then update the order of the authors by selecting the “Reorder authors” button.

- Uploading files: the “Add file” link may be used to upload files.

- Withdrawing the submission: select “Withdraw” to withdraw the submission.

2.9 At the end of the submission procedure (a new submission or an update of an old one), you will receive a confirmation email.

2.10 Once the review process is completed, you will receive an acceptance/rejection notification with reviews by email.

### 3. Revised paper submission

3.1 If your paper is accepted, we request that you submit your revised paper electronically.

3.2 To upload your final paper, click on “Submission # and select “Update file” from the right-hand menu of the Submission screen.

3.3 After selecting the file that you wish to upload from your computer, submit your revised paper by selecting the “Submit” button.
